

SKGlobal

Nordic Battle of Treasury

Advanced add-ons for Microsoft Dynamics 365 F&O

Banking and Treasury Automation

for Microsoft Dynamics 365 Finance and Operations

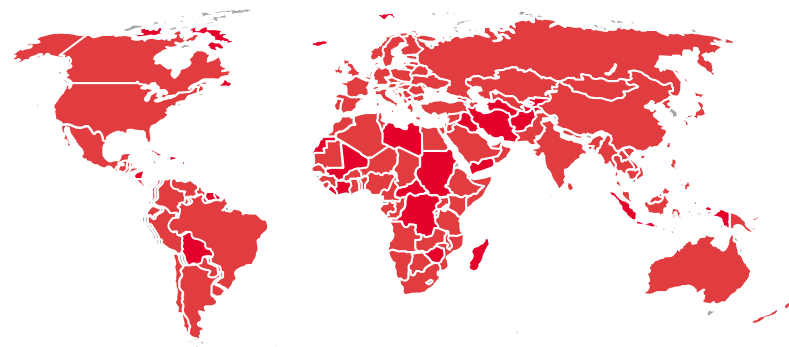

SK Global Software

Certified Microsoft Dynamics 365 ISV

- ▶ Founded 1995
- ▶ Microsoft Inner Circle (Top 1% Microsoft Partners)
- ▶ Preferred Global ISV recommended by MCS
- ▶ 100% focused on Microsoft D365 FO
- ▶ +500 D365 FO customers (Currently adding 100-150 customers annually)

Banking and Treasury Automation Suite

- ▶ Banking, Cash Management, Treasury Automation
- ▶ 17 Modules within solution
- ▶ Very flexible and scalable solution
- ▶ Facilitate automated D365-to-Bank Communication

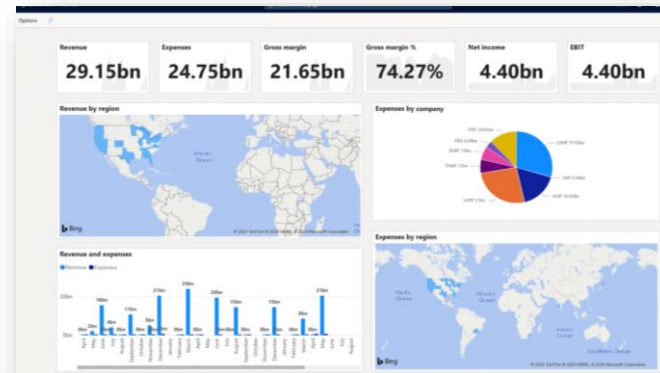

Why choose SKG?

1. Microsoft Certified Dynamics 365 ISV
2. Leverage the power of your D365 ERP
3. Enhance your banking and payment processes
4. Benefit from unified User Experience

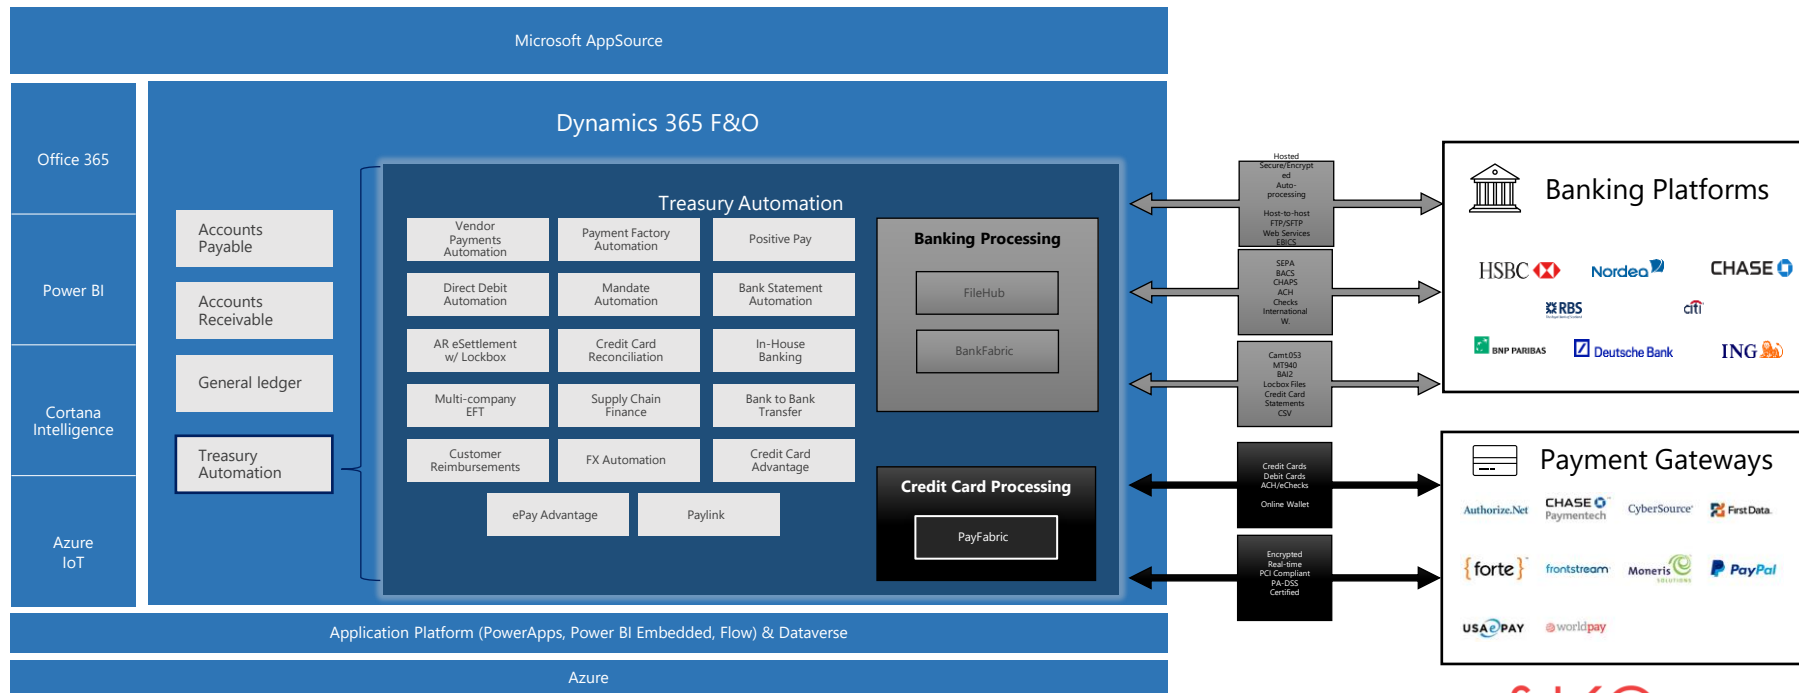

Microsoft Certified Dynamics 365 ISV

- ▶ Technically approved ISV add-on
- ▶ SKG and Microsoft D365 updates in complete sync
- ▶ Forward compatible with all future D365 Updates/releases
- ▶ Simple installation and Deployment process
- ▶ No 3rd party integrations or customization
- ▶ No 3rd party data transmission
- ▶ No 3rd party hosting

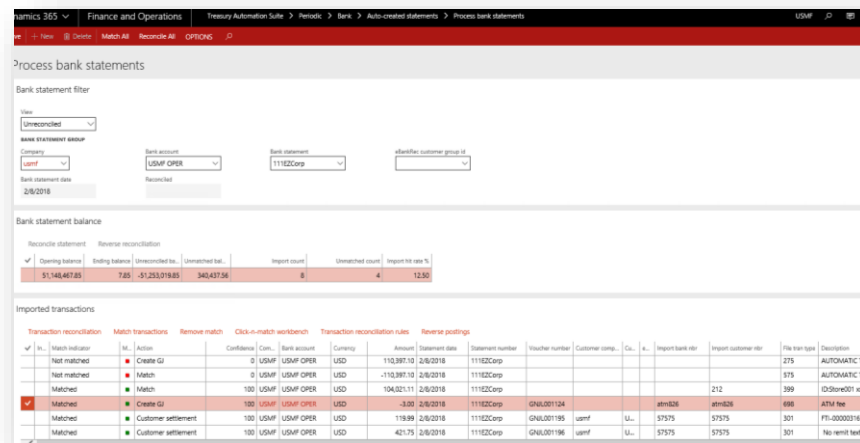

Leverage the power of your D365 ERP

Benefit from a unified User Experience

- ▶ Completely embedded into the D365 User Interface
- ▶ Work across legal entities, bank accounts, etc.
- ▶ No need to leave D365 to access separate platform
- ▶ Drill into data already available in D365
- ▶ Leverage out-of-the-box D365 functionality
- ▶ Export and manipulate data in Excel

Thank you for your time
