CFODirect®

Welcome to PwC's weekly update on accounting and financial reporting, business news, and highlights from regulators and standard setters. Also available as a [PDF download](#).

PwC's accounting and reporting insights

[Hedge accounting: FASB issues final guidance](#)

Our two pager discusses how new amendments to hedge accounting will change how all types of companies account for and disclose hedges.

[Hedge accounting: New guidance can be adopted immediately - 3 minute video](#)

FASB issued significant amendments to hedge accounting this week. PwC's Maria Constantinou explains how the new guidance may be (but is not required to be) adopted immediately.

[Revenue: Implementation in Entertainment and Media](#)

We highlight the latest revenue implementation issues specific to entertainment and media companies.

[Revenue: Tax considerations when adopting the new standard](#)

This paper highlights key areas in the tax provision that may be impacted by the standard, and provides a discussion as to the underlying tax law that may drive these impacts.

More from PwC

[How workforce strategy can help organizations today, tomorrow, and beyond](#)

Executives, business leaders, and human resource professionals representing the finance, technology and healthcare industries joined Bhushan Sethi and Julia Lamm to discuss the future of work, and how a proactive approach to managing workforce strategy can help organizations stay competitive and achieve their business objectives.

[The ASC 606 clock is ticking: It may be time for brute force](#)

With the deadline for adoption of the revenue recognition standards fast approaching, some companies are finding that they can't implement their systems in the time remaining and are turning to an interim "brute force" approach.

[Personal Financial Services Quarterly News - Aug 2017](#)

Our publication explores issues and developments affecting high net worth individuals. Topics in this issue include: residential solar credits, pre-immigration tax planning, asset protection trusts, and more.

Highlights from regulators and standard setters

August 30 FASB board meeting ([tentative decisions](#)): (1) conceptual framework—elements and (2) technical corrections and improvements

September 6 FASB board meeting ([agenda](#)): (1) Financial instruments - credit loss implementation

PCAOB publishes [staff inspection brief providing information about 2017 inspections of auditors of public companies](#)

SEC staff releases updated [Financial Reporting Manual](#)

CAQ comments on PCAOB's proposed amendments to auditing standards for [auditor's use of the work of specialists](#)

CAQ comments on PCAOB's proposed auditing standard on [auditing accounting estimates, including fair value measurements](#)
